Version A : 01/09/2021

Knife gate valve

KG22 - similar to KG02 but
with 2 pc body

KG42 - Manufacturing silo
valve possible round to
square - 2 pc body

KG64 - Square silo valve

Ball valve

VB23 - 2 pc C-ball regulation

VB33 - 3 pc C-ball regulation

VB04 - segment valve

Butterfly valve

BV10 - similar to BV00 but
reinforced sleeve

BV20 - similar to BV00 but 2
pc body

BV30 - similar to BV00 but
vulcanized sleeve

Gate valve

GV80 - forged gate valve

Check valve

CV00 - strainer

CV01 - simple flap

CV02 - double flap

CV11 - CV01 with counter weight

CV21 - BV42 with counter weight
and active hydraulic

Globe valve, Expansion joint, Diaphragm valve, Plug valve, Dismantling joint
